GYM TURF | SLED TRACK

HEAVY DUTY & FUNCTIONAL, INDOOR & OUTDOOR

Gymturf is produced with monofilament grass yarn, UV stabilized fiber with more than 80.000 stitches/m². Gymturf is available in GREEN, BLUE, RED, BLACK and YELLOW, and marking can be done in all these colors plus the WHITE colour. We can insert your logo, your functional zone design or whatever you can imagine combining all these colors.
