Performance

Colourfastness to Light	Excellent - 6 (UNI EN ISO 105B02)
-------------------------	-----------------------------------

Manhattan includes 6 sparkling colors in line with the market trends.

- Extremely easy to install
- Remarkable resistance
- Safe adherence to the floor
- High dimensional stability
- Quality assurance

Suitability

Ideal for Exhibition Use
 Also for Exhibitions, Fairs, Shows, Stage Floors, Walkway Areas, VIP Strips, Corridors, etc.
 Also suitable for temporary use as office carpets.

The subfloor should be dry, smooth, flat, dust-free and resistant to compression and load-bearing. The seams may remain visible to the eye and this should be accepted as an inherent characteristic of carpet tiles. Due to dye lot variations, actual colour may vary slightly from the samples. Chair pads are recommended to prevent premature wear of carpet.
