- 100% Polypropylene Stainsafe® •

- Slip Resistant •

- Weathersafe •

- Flame Retardant •

76 CHESTNUT RHYTHM

Natural Look

We have developed this collection to look identical to flatwoven carpets in natural fibres and yarns such as sisal or sea grass. The irregularities in the yarn and the overall rustic appearance contribute to achieve this trendy natural look.

Easy to Clean

SISAL WEAVE, in contrast to flat woven carpets in natural fibres, is produced with the **Stainsafe**[®] solution dyed polypropylene yarns which makes it very easy to clean and even bleach cleanable! **SISAL WEAVE** is the unique combination of a natural sisal look and practicality.

Indoor & Outdoor

The weft and warp that makes **SISAL WEAVE** is made from waterproof polypropylene yarns with an enhanced UV protection. This makes the carpet **Weathersafe**[®] and therefore suitable for use also outside the house.

Long Lasting

SISAL WEAVE is produced with hard wearing cabled yarns. This carpet will perform extremely well even in high traffic areas in the house.

26 GRAIN SUNRISE
Pattern Repeat: 0.62cm (W) x 2.27cm (L)

Installation & Seaming

For **SISAL WEAVE** the recommended installation method is direct glue-down. Making seams in **SISAL WEAVE**, as with any sisal flat woven carpet, needs special attention. We recommend to use a professional carpet fitter for the installation. We do **not** recommend installing seams end to end.

75 CHESTNUT SUNRISE

Pattern Repeat: 0.62cm (W) x 2.27cm (L)

SISAL WEAVE

SWATCHES

3101 ALMOND DESIGN
Pattern Repeat: 100cm(W) x 100cm(L)

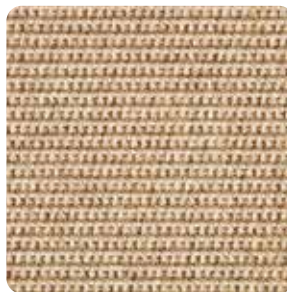

1725 GREY DESIGN
Pattern Repeat: 0.62cm(W) x 0.9cm(L)

SISAL WEAVE Specifications

Construction	Flat Weave
Yarn Composition	100% Polypropylene Stainsafe®
Pile Weight	Ca. 1100 g/m ² (32 oz/yd ²) (+/- 10%)
Total Weight	Ca. 1640 g/m ² (48 oz/yd ²) (+/- 10%)
Pile Height	Ca. 5mm
Number of Knots	Ca. 70,400/m ²
Roll Size	4m (+/-2%) x 42.5m (+/-2%)

Performance

Characteristics	Slip Resistant / Flame Retardant / Weathersafe / Antistatic / Stain Safe
Thermal Resistance	0.12 m ² K/W
Sound Insulation	DLw - 22 dB
Light Fastness	5-6
Water Resistance	4-5
Saltwater Resistance	4

Warranties

- 7 Year Carpet Wear Warranty
- 10 Year Stain Warranty
- Lifetime Limited Static Warranty

Ideal for Medium Commercial and Hospitality Use

The subfloor should be dry, smooth, flat, dust-free and resistant to compression and load-bearing. Where seaming is necessary, a seam sealant must be used for all such installations. Due to dye lot variations, actual colour may vary slightly from the samples. Chair pads are recommended to prevent premature wear of carpet.

Manufactured in Belgium
